

# BUDRIÓTT

160 x 90 x 50 cm

BUDRIÒTT is a cabinet composed of a wooden volume that stands on a four-legged structure in matt bronzed brass, stiffened by a wooden cross bracing. Available in two different configurations: storage cabinet or bar cabinet. The storage cabinet, entirely in wood, has a large central compartment with four internal shelves and eight other shelves for glasses, obtained in the thickness of the two opening doors. In the bar cabinet configuration, it has a large central compartment with internal battery-powered lighting, completely covered in matt bronzed brass and mirrors, for the arrangement of the bottles, a removable sliding top for drink preparation, an underlying shelf for cocktail kits and eight shelves for glasses obtained in the thickness of the two opening doors. Available in two essences: canaletto walnut or oak, natural matt polished. height 160 cm, width 90 cm, depth 50 cm.
